

About the Organization:

Innovations in Development and Empowerment Alternatives (IDEA) is a young entity with its Office in New Delhi. We are registered under Public Charitable Trust, New Delhi. We are a collective blend of seasoned veterans and young innovative professionals drawn from diverse sectors of management, psychology, marketing, banking, education, law, health, governance, and livelihood. We work in the areas of (a) Consultancy, (b) Research, (c) Academics, and (d) Internship.

About the Job:

We wish to engage an Agricultural/Horticulture Expert on an assignment basis to support in preparing the 'Annual Action Plan' (AAP) for five years of some selected crops in five districts in Uttar Pradesh. The assignment is expected to be completed in two to three months. The position is part-time engagement. The entire assignment is 'work from home' and with occasional meetings through Zoom with mutual convenience. The responsibility does not include any local as well as outstation travel.

The applicant candidates should be:

1. Be a graduate in any discipline of the Agricultural Sciences, preferably Horticulture and innovative farming.
2. Knowledge of district planning, value chain development, etc., will be added advantage.
3. Should have knowledge of – understanding of the government schemes and programs, so that the same could be converged with district planning.
4. Have experience of 5 years or so.
5. Should be available to undertake the assignment with immediate effect.
6. Must have excellent communication abilities with apt writing skills in English.
7. Must have excellent skills in the use of MS Office, the internet, etc.

The compensation for the position is Rs. 1.5 lakh for preparing the reports of 5 districts. Guidance and assistance would be provided by IDEA in the completion of the reports. Please visit www.trustidea.org under the tab 'Join Us' for further information.

Interested applicants should send the application along with the following:

1. The updated CV
2. Sample write up of how you would prepare 'Annual Action Plan (Five years) for district Jhansi' for any crop (Fruit/vegetable/grain) following deliverables:
 - a. The annual action plan should, in very brief, touch upon the various ingredients of the value chain, i.e., Agricultural inputs, cultivation practices, harvesting, procurement, processing, marketing, and trading for at least one crop in the district.
 - b. The AAP should also suggest ways and means to raise financial resources in meeting the defined objectives.
 - c. The AAP should also spell out various options for convergence with various Union and State government programs and schemes.
 - d. The AAP may suggest the utility and scope of various Research Institutions in the district to augment the growth of concerning crop

Please submit the above to hr@trustidea.org. The last date of applying is 15th December, 2021.
